THE DEPUTY INSPECTOR GENERAL OF  
GOVERNMENT  
PUBLIC OF UGANDA

**TITLE: REQUEST TO INVESTIGATE THE GROSS ABUSE OF PUBLIC OFFICE  
AND RAMPANT CORRUPTION BY THE RDC - RAKAI SARAH KIYIMBA**

I am a concerned and patriotic Ugandan residing in Kyalulungira- Rakai, who is interested in observing effective service delivery and implementation of the manifesto.

- For the last 2 years, Miss Sarah Kiyimba has been the RDC Rakai, she has successfully managed to influence the winning of contracts for road constructions in Rakai, without passing through procurement procedures.
- By close of May 2024, Rakai district local government on the forceful orders of RDC Sarah Kiyimba was paying RDC Sarah Kiyimba 7 Million shillings per day, for using private tractors that belong to RDC Sarah Kiyimba, to construct roads in Rakai.

In spite of the generous donations of road equipment by the government of Uganda to Rakai district, all the equipment, on the supervision of RDC Rakai Sarah Kiyimba, for the last two years has been spoilt, all the keys to government tractors lost. Right now, the private tractors belonging to RDC Sarah Kiyimba are being used to construct shoddy roads in Rakai.

Fifth percent of workers in the department of works Rakai DLG, have been illegally laid off in exchange of recruiting unqualified workers who drive the private tractors of a corrupt RDC Sarah Kiyimba

Despite the generous donation of 1 billion shillings by the NRM government, to Rakai DLG to construct roads, 10 percent of funds is paid to RDC Sarah Kiyimba, as a forceful commission, without question.

RDC Sarah Kiyimba for the last two years of her corrupt service in Rakai, tells all and sundry that she is untouchable, that no state agency can tame her immoral public conduct.

As a citizen who has resided in Rakai for the last 50 years, like majority silent grieving citizens, am shocked at the gross abuse of office, criminal acts and abhorrent behavior detriment to government ethics that is being portrayed on a day to day basis by RDC Rakai Sarah Kiyimba.

Reminiscing well article 223 of Uganda's constitution, I beg to submit

Kemigisha Barbra, concerned citizen, Kyalulangira Rakai
